"Easy Wave Open" for quick, touchless opening of the microwave drawer

Concealed, touch glass controls are easy-to-see and operate at a convenient 45° angle

Modern edge-to-edge black glass with convenient viewing window

Stainless steel design with bright, LED interior lighting and stylish floor pattern

Built-in airflow control for flush mounting

Flexible placement options. Install into an island, peninsula or below your wall oven

INTRODUCING THE WORLD'S FIRST MICRO-WAVE

Sharp's top-of-the-line Microwave Drawer™ features **Easy Wave Open** for touchless operation. Simply wave up-and-down near the motion sensor and Microwave Drawer will glide open. With the touch of a button or a gentle nudge, our patented Easy Touch Automatic Drawer System smoothly closes the oven to avoid messy spills. The SMD2480CS Sharp® Microwave Drawer™ stays closed when you walk by, so children and pets won't accidentally open it.

The concealed, Touch Glass Control panel is easy-to-see and operate at a convenient 45° angle, keeping all of the controls at your fingertips when you need them, and completely out of sight when you don't. The modern, edge-to-edge, black glass and stainless steel design with bright, LED interior lighting and stylish floor pattern compliments your kitchen and pairs beautifully with other stainless steel appliances.

Simply wave up-and-down near the motion sensor and Microwave Drawer will glide open.

The concealed control panel puts all of the controls at your fingertips when you need them, and completely out of sight when you do not.

1.2 cu. capacity large enough for a 4-qt casserole dish and tall enough for a large, 20 oz. beverage cup
