

Troubleshooting for AQUOS Crystal, Model: 306SH

ISSUE: I cannot upload pictures to Instagram. Once uploading, all photos turn to black on Instagram.

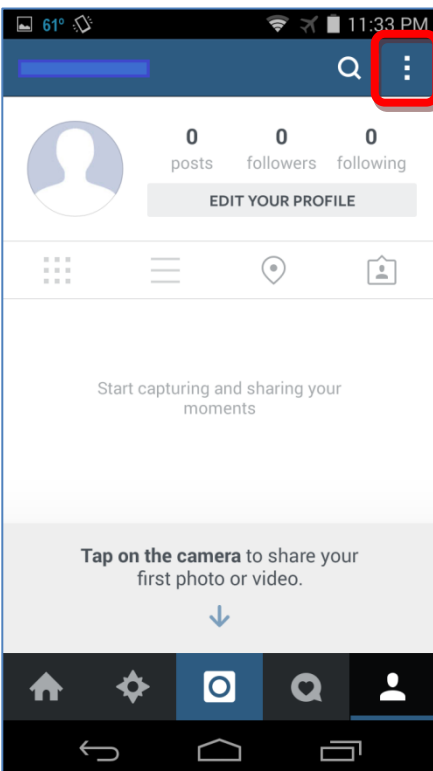

ANSWER:

- Please follow the instructions to change the setting on your Instagram mobile app.

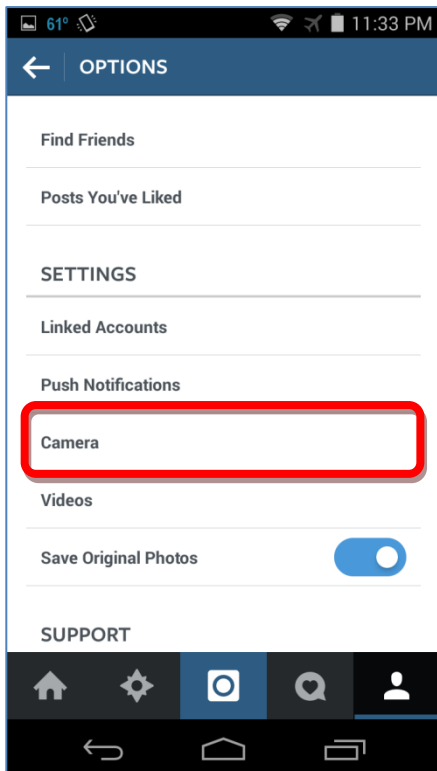

1. Touch Instagram "Profile" icon

2. Go to "Menu" icon.

3. Choose "Camera" under SETTINGS

4. Turn off "Use High-Quality Image Processing" , to be like
